

CALICO

TECHNICAL STAFFING

Who We Are

We are engineering, technical and scientific professionals with relevant experience, successful careers, and leadership in our fields. We understand the industries we serve and the nature of the work itself. Therefore, we can better meet your staffing and resource needs through the identification, screening and placement of the right resources.

It is our mission to become a preferred, strategic partner. We are dedicated to providing value, tailored solutions, and the talented resources needed to staff or lead your projects, teams and organization.

Where We Are

Our locations are embedded in high-tech, med-tech and bio-tech hubs; areas rich and vibrant in entrepreneurial start-ups, research and medical centers, industry leading companies, and some of our nation's top universities.

We specialize and network in these regions (with a national reach):

Boston, MA to include the surrounding New England area.

Research Triangle Park, NC to include the surrounding Carolinas and Virginia.

Melbourne / Orlando, FL to include the surrounding Florida area.
